

## Assistant Ministers at Methodist Central Hall Westminster

As a result of a recent enquiry I have compiled a list of Assistant Ministers who have served at Methodist Central Hall Westminster since it was opened in 1912. Some ministers served for one year, others for periods ranging from two to eleven years. I would be very grateful to receive any corrections to this list which was compiled from the Minute Books of the Westminster Circuit 1912 – 1973 and of the Westminster Central Hall circuit 1973 – date, and from Orders of Service dating from 1922. These records are located in the Methodist Central Hall Archives.
